Afterschool Clubs

It has been great to see our brand new after-school clubs up and running this week. The boys and girls seem to be really enjoying the variety on offer.

We are aware of some disappointment in not gaining a place in chosen clubs and we can only apologise for this. Unfortunately we have a limited staff and therefore must cap the numbers at each club.

We are however actively looking at additional options for next year.

Please remember, in addition to our extra-curricular clubs, we also have our very popular Afternoon Club available, bookable for just £3.50 per hour.

Breakfast Club

We are delighted that our Breakfast Club has been so popular this term. Mrs Swann and Mrs Shaw have been rushed off their feet trying to feed our pupils!

There has, however, been an increasing number of pupils dropped into school prior to 8am. Please be aware that we are only able to supervise children from 8am; children should not arrive before then.

Many thanks!

Even if there are no allergies in your child's class, it is important that no nuts, or products containing nuts are brought into our school. We have a growing number of visitors in Ballynure, some of whom may have allergies.

Thanks for your understanding!

Ballynure Primary School Summer Fair

This year, we will be hosting a Summer Fair for our whole community and we need your help!

The summer fair will run on Saturday 8th June from 11am to 2pm.

At this stage, we are looking for two things:

1. Can you help with a stall on the day of the fair? If so, can you do the whole time, or can you do one hour?
2. Do you have any contacts or suggestions of people who may be able to provide fun or exciting stalls for the fair?

If you have any response to the above, please contact Mrs Millar or Mr Trussell at the school office before Friday 26th April.

School Holidays

Holidays for academic year 2024/25 have now been posted on the school website. As ever, these may be subject to change.

Car Parking

Once again, we would encourage our families to be mindful of where they are parking at drop off and collection times. Please be considerate of our neighbours and their properties. To assist with this, we are continuing to work on a solution to the difficulties that car parking brings.

BFG – ROALD DAHL

We are hoping to borrow copies of Roald Dahl's BFG for our P6 class to read as part of their topic this term. If you have a copy available for us to borrow please send it into school with your child's name on it and give it to either Mrs Millar or Mrs McIlroy.

Safeguarding

The safety and wellbeing of our children is our top priority. If you ever have any concerns about your child, or other children, please inform Mr Trussell (Designated Teacher for Child Protection), Mrs Galashan (Deputy Designated Teacher for Child Protection), or your class teacher.
